

Fleetguard Filters Private Limited (FFPL) Recognized As “Brand Of The Year 2024” In The Automobile And Auto Ancillary Category

26 June 2024 | Posted by Admin | 3

Pune: Fleetguard Filters Pvt Ltd, a leading manufacturer of filtration products and solutions in the automotive sector, has been honored with the prestigious “Brand of the Year 2024” award in the Automobile and Auto Ancillary category at the Marksmen Daily event held on 21st June, 2024 at Delhi.

This award, renowned for felicitating excellence across diverse business sectors, has recognized Fleetguard Filters for its exceptional contributions to the automotive industry. This accolade highlights the company's significant market impact driven by its advanced filtration technologies.

Mr. Niranjn Kirloskar, Managing Director of Fleetguard Filters Private Limited (FFPL), expressed his gratitude on receiving the award: “We are honored to be recognized as the ‘Brand of the Year 2024’ by Marksmen Daily. This accolade reflects the hard work and dedication of our entire team. It motivates us to continue pushing the boundaries of innovation and delivering technically advanced solutions to our customers.”

The recognition by Marksmen Daily adds to the numerous accolades Fleetguard Filters has received over the years, reinforcing its position as an industry leader. The company remains committed to driving technological advancements and maintaining its legacy of excellence in the automotive market, stated a press release.
